Hello,

We are writing to you in connection with the below-pasted e-mail from the third party claimant specified therein (the "Claimant") regarding certain materials contained in the specified web sites that are infringing upon the Claimant's intellectual property rights (the "Infringing Materials"). Please review the following complaint and follow up with us within 24 hours to let us know the steps you intend to take to resolve this. Failure to follow up within that time may lead to suspension of your account.

Please note that under the Digital Millennium Copyright Act, you have the right to file a "counter-notice" claiming that either (a) that the Claimant is wrong and that the Infringing Material is lawfully posted on the Web Site or (b) that the Infringing Material has been misidentified. You can use this online form at <http://www.chillingeffects.org/dmca/counter512.pdf> which creates a PDF with all the required elements for counter-notification which you can send back to us.
